

## Key points about enrolment

### Preschool/Primary School

- The Montessori programme starts at or as close as possible to a child's third birthday (enrolments occur throughout the year) and continues until the end of primary school (Year 6).
- *Children over the age of 3 years 3 months cannot be enrolled* unless transferring from another Montessori school.
- Children must be toilet trained before starting at the school.
- A place on the waiting list does not guarantee a place in the school.
- Places are subject to an interview with the Principal.
- We ask both parents to make a time to have a tour of the school, observe in the classroom prior to enrolment and to familiarize themselves with the Montessori philosophy of education.
- Please note that Canberra Montessori School is not a day care centre but a school educating children from 3 to 12 years of age.

To go on the waiting list you will need to submit, with the appropriate fees, the following:

CMS Membership form (annual fee of \$60)  
Application for Registration form (\$120 per child)

### Parent Toddler Programme

- This programme is for children aged 18 mths to 3 years, attending for 2 hours one day per week with a parent/carer.
- Parent Toddler Programme is only available to children registering to attend the full 9 year pre-school/primary school Montessori programme.
- There is a waiting list and usually at least one term elapses before a place becomes available.
- Attendance in the Parent Toddler Programme does not guarantee a place in the pre/primary school

To go on the waiting list you will need to submit, with the appropriate fees, the following:

Parent Toddler Programme waiting list form  
CMS Membership form (annual fee of \$60)  
Application for Registration form (\$120 per child)

**Payment Options:** We do not have credit card or EFTPOS facilities. *Payment must be by cheque or cash.* Once registered with the school, any subsequent payments can be made by BPay.
